

CLIL Connects

Subject:	Drama	Time needed: 1-2 lessons
Topic:	Weather	
Class / Level:	1	
Keywords:	Presentation, weather, language development	

AIM:	To introduce the topic of the weather and accompanying vocab. To devise and present a weather report in an imaginative way.
HOW:	Firstly using pictures get the students to describe the weather to each other. Give them the correct terminology. In groups ask them to devise a television style weather report BUT something must go wrong. Can be funny or scary or both.
MATERIALS NEEDED:	Coloured card for the students to make a weather map and symbols or can be done via PowerPoint.
